RE: Camilia Zoe-Chocolate's recusal in the Cantung Closure EA

Ms. Zoe-Chocolate is recused as a Board member in the Cantung Closure environmental assessment (EA).

Ms. Zoe-Chocolate, Tłı̨chǫ nominee on the Mackenzie Valley Review Board, also sits on the Mackenzie Valley Land and Water Board. In her capacity as Board member on the Land and Water Board, she participated in the preliminary screening decision for the Cantung Closure EA. Because of this involvement, she is recused as a Review Board member on this file to avoid any potential apprehension of bias or conflict of interest.

Ms. Zoe-Chocolate will continue to act as a board member on other environmental assessments.

For questions or more information, please contact Environmental Assessment Advisor Clémentine Bouche at cbouche@reviewboard.ca.
