

Are you missing mitts?

These yellow mitts were left sometime between January 12-15, 2025 at Chateau Nova during the MVRMA Resource Co-Management Workshop, Indigenous Traditional Knowledge – A Path to Better Decisions. The planning committee would like to return these to the right owner.

If these mitts are yours, please reach out to one of the planning committee members:

- Wek'èezhìi Land and Water Board: 867-765-4592
- Mackenzie Valley Environmental Impact Review Board: 867-766-7050
