Dear Mark Cliffe-Phillips:

RE: Developer's request to adjourn proceeding EA2425-01

The GNWT has reviewed Imperial Oil NWT Operations Limited's May 1, 2025 request for ruling to adjourn the environmental assessment (EA) of the proposed Line 490 Replacement Project (MVEIRB EA 2425-01). The GNWT has no comments for the Review Board's consideration at this time and will continue to monitor the status of the proceeding.

Thank you for the opportunity to provide input. If the Review Board has any questions or concerns about this letter, please contact me at lorraine.seale@gov.nt.ca or Hannah Ponsonby, Project Assessment Analyst, at Hannah.ponsonby@gov.nt.ca.

Sincerely,

Lorraine Seale
Director
Impact Assessment and Security Management
Environment and Climate Change
