- Increased access to wilderness areas and resulting impacts
- Community agreements with Imperial Oil including harvester compensation
- Geotechnical investigation techniques and process
- Other matters as determined necessary by the DAS

11/23/2004

iv. Disputed Issues:

| <i>Issues over which there is disagreement</i> | <i>Efforts made to reach agreement</i> | <i>Describe Why Issue Was Not Resolved</i> | <i>Resolution Requested by MVEIRB</i> |
|---|--|---|--|
| Bid evaluation weighting criteria | DAS submitted an IR requesting this information. | Imperial Oil refused to provide the requested information. | Require a complete answer to IR 2.5. |
| Conditional 2003 contracts in the Dehcho Region | DAS submitted an IR requesting the value of all 16 contracts and the value of the 14 contracts awarded to Dehcho businesses. | Imperial has not provided a full answer to the IR. Only one dollar value is provided and it is not clear if it is for the 16 contracts or the 14 contracts. | Require a complete answer to IR 2.25(b). |

v. Documents Required of Other Parties:

| <i>Document</i> | <i>Reason for Request</i> |
|---|---|
| Heritage resources reports | Not yet supplied by Imperial to fulfill IR 2.15(b) and (c). |
| Heritage resource protection recommendations from PWNHC | Not yet supplied by Imperial to fulfill IR 2.15(e). |

vi. *Expert Witness(es) to be Used, if any:* To Be Determined. Experts in local and traditional knowledge might be used during the DAS presentation. Qualifications will be described at the hearing.

vii. *Technical Requirements for the Public Hearing:* None

viii. *Other Requirements at the Public Hearing (i.e., translation, etc.):* Translation should be provided by the Review Board. Some DAS presenters might require translation services.
