To the Distribution List:

The Mackenzie Valley Environmental Impact Review Board (Review Board) met in Yellowknife, NT on May 19-21, 2009, to discuss granting party status to organizations and individuals who wish to become parties to the environmental assessment of Deze Energy Corporation's proposed Taltson Hydroelectric Expansion project.

The following organizations and individuals were subsequently granted party status by the Review Board:

- Government of the NWT
- Indian & Northern Affairs Canada
- Environment Canada
- Parks Canada
- Transport Canada
- Department of Fisheries & Oceans
- Deninu Kue First Nation
- Lutselk'e First Nation
- NWT Treaty #8 Tribal Corporation

If any other organization or individual wishes to apply for party status, the application form can be found on our web site in the [Reference Library, Forms & Templates](#). Completed forms can be submitted to me by email at [ttestart@reviewboard.ca](mailto:ttestart@reviewboard.ca) or by fax at (867) 766-7074.

Thank you for your continued participation in this environmental assessment,

Regards,
