

APPENDIX 4.III

Government and Regulatory Agencies Consultation Records

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
4-Nov-07	Fortune submitted the revised Closure and Reclamation Plan (CRP) for the NICO exploration program to the Wek'eezhii Land and Water Board (WLWB).	WLWB sent copies to Department of Fisheries and Oceans (DFO), Environment Canada, Indian and Northern Affairs Canada (INAC) and Tłı̨chǫ Government (TG) for review.
21-Nov-07	Robin Goad and Rick Schryer (Fortune) met with Michael Conway, Jim Steven, Larry Purcka, Rhonda Batchelor, and Dan O'Neill (DOT), Randy Patrick Northwest Territories Power Corporation [NTPC], Mark Cliffe-Phillips (WLWB), Ken Smith, Nick Lawson (consultant for Department of Transportation [DOT]) over all-season road and power requirements. Review of engineering work completed. Discussion on preferred alignment and updating engagement plan.	DOT will contact Tłı̨chǫ community Chiefs and MLAs about consultation.
4-Dec-07	Rick Schryer called and set-up a consultation meeting with Mike Connelly (DOT) and Rhonda Batchelor (DOT) to discuss road initiative.	
14-Dec-07	Rick Schryer discussed eligibility of water license (WL) and Land Use Permit (LUP) applications with Mark Cliffe-Phillips (WLWB).	Fortune eligible to apply for WL and LUP for mine, road and power line.
18-Dec-07	Fortune submitted WL and LUP applications to Mark Cliffe-Phillips at WLWB.	
21-Dec-07	Rick Schryer sent Mark Cliffe-Phillips a copy of the Prince of Wales screening for heritage resources along with the electrical transmission line routes and the airstrip.	
7-Jan-08	Rick Schryer called Mark Cliffe-Phillips and discussed the CRP.	
10-Jan-08	Rick Schryer received a copy of Environment Canada comments on CRP from Mark Cliffe-Phillips (WLWB).	
11-Jan-08	Rick Schryer called Mark Cliffe-Phillips to discuss WL application.	Mark Cliffe-Phillips sent a summary table of comments on WL to Rick Schryer. Scheduled vote on WL for board meeting following week.
14-Jan-08	Rick Schryer sent a draft response to Mark Cliffe-Phillips in regards to comments on applications.	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
15-Jan-08	Rick Schryer called Mark Cliffe-Phillips and discussed the draft CRP.	Mark Cliffe-Phillips called Rick Schryer 16-Jan-08 with comments on draft CRP. These comments were addressed and the draft document resubmitted on 16-Jan-08.
21-Jan-08	Fortune submitted Aurora Research Institute (ARI) research permit applications for TK, TLU, and environmental studies.	
22-Jan-08	Rick Schryer received email notification from Mark Cliffe-Phillips that the WLWB approved Fortune's CRP at their Board Meeting.	
24-Jan-08	Rick Schryer returned call to Mark Cliffe-Phillips with requests for updates to consultation records, CRP, and Water Management Plan (WMP).	Provided details on referral process. NICO Project will most likely go to environmental assessment (EA).
25-Jan-08	Rick Schryer called Martin Haefele (Mackenzie Valley Environmental Impact Review Board [MVEIRB]) discussed EA referral.	
28-Jan-08	Rick Schryer received information on the communications between the Tłı̨chǫ Government and WLWB.	
31-Jan-08	ARI notified Fortune that its applications were going to the communities for review.	
1-Feb-08	Rick Schryer called Anne Wilson (Environment Canada) and Gary Potts (INAC) to set up a meeting on 5-Feb-08.	
1-Feb-08	Rick Schryer called Mark-Cliffe-Phillips about status of signatures on CRP and WMP.	
4-Feb-08	Rick Schryer called Bruce Hannah and Ernie Watson of DFO in Yellowknife to discuss NICO Project.	
4-Feb-08	Rick Schryer arranged for a meeting with Malcolm Robb (INAC) on 6-Feb-08	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
5-Feb-08	Rick Schryer met with Anne Wilson (Environment Canada) to discuss the NICO Project.	
5-Feb-08	Rick Schryer met with Martin Haefele (MVEIRB). Gave him a copy of the permit application and discussed energy needs.	
6-Feb-08	Rick Schryer met with Gary Potts and Malcolm Robb (INAC) discussed NICO Project.	
14-Feb-08	Rick Schryer talked to Mark Cliffe-Phillips about the community meetings and NICO Project.	
19-Feb-08	Rick Schryer talked to Mark Cliffe-Phillips about WL and LUP applications. Discussed access issue and road application.	
22-Feb-08	Rick Schryer called Michael Conway (DOT) and discussed road application.	
22-Feb-08	Rick Schryer called Mark Cliffe-Phillips and discussed the LUP.	Mark Cliffe-Phillips put WL and LUP files on public registry.
25-Feb-08	Rick Schryer spoke with Rhonda Batchelor (DOT) about town of Whati input into all-season road route.	
26-Feb-08	Rick Schryer called Mark Cliffe-Phillips and discussed public registry, review of caribou workshop presentation, and winter water quality/hydrology programs.	
27-Feb-08	Rick Schryer called Mark Cliffe-Phillips and discussed status of talks on interpretations on Mackenzie Valley Resource Management Act (MVRMA) and regulations in regards to the NICO Project.	On 28-Feb-08 Mark Cliffe-Phillips sent Rick Schryer details on the correspondence between the Tłı̨chǫ Government and WLWB.
3-Mar-08	Fortune received a letter from Zabey Nevitt (WLWB) requesting input into eligibility for permits on Tłı̨chǫ Lands. Also received details on updated application fees.	See 14-Mar-08

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
5-Mar-08	Robin Goad and Rick Schryer had a meeting with MLA Bob McLeod to discuss NICO Project, all-season road and Snare 7.	
7-Mar-08	Rick Schryer had a conference call with Michael Conway and was informed there is a new Minister appointed in the NWT. A site-visit for the Minister is planned for May or June.	
7-Mar-08	Rick Schryer called Mark Cliffe-Phillips to discuss WMP.	Mark Cliffe-Phillips sent Fortune details on updated application fees on 3-Mar-08
10-Mar-08	Fortune sent a letter to Paulo Flieg (ARI) to amend the previously submitted TK, TLU, and environmental applications to include socio-economic components.	Paulo Flieg (ARI) recommended applying for socio-economic study individually.
13-Mar-08	Rhonda Batchelor (DOT) called Rick Schryer and they discussed the road application.	
16-Mar-08	Rick Schryer submitted a draft response to the WLWB letter regarding eligibility for permits on Tłı̄ch̄o Lands.	See 19-Mar-08
17-Mar-08	Rick Schryer called Gary Potts (INAC) about working group being set-up for NICO Project.	
18-Mar-08	Rick Schryer called Mark Cliffe-Phillips about Annual Report for NICO exploration program.	
19-Mar-08	Fortune, Trish Merrithew-Mercredi (INAC), and Bob Bailey (Government of Northwest Territories [GNWT]) received a letter from WLWB requesting an extension for responses to the 3-Mar-08 letter from 20-Mar-08 to 4-Apr-08	See 4-Apr-08
20-Mar-08	Rick Schryer communicated need for the winter water quality sampling at NICO to Paulo Flieg (ARI).	Paulo Flieg (ARI) approved the winter water quality sampling at NICO.
24-Mar-08	Fortune submitted the revised WMP to Mark Cliffe-Phillips at WLWB.	WLWB placed WMP put on public registry with request for public comments by 25-Apr-08.

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
24-Mar-08	Fortune submitted a socio-economic permit request to Paulo Flieg (ARI).	
27-Mar-08	Rick Schryer spoke with Mark Cliffe-Phillips about Annual Report.	
1-Apr-08	Rick Schryer sent a letter to WLWB concerning water quality/hydrology program to report that they were complete and went well. Track counts may not occur and aerial surveys will proceed.	
1-Apr-08	Rick Schryer arranged meeting with DOT on 21-Apr-08.	See 21-Apr-08
4-Apr-08	Fortune submitted their response to the WLWB on the issue of eligibility for permits on Tłjchq Lands.	
4-Apr-08	Rick Schryer received request from Malcolm Robb (INAC) for a copy of community engagement logs to circulate. Fortune provided an updated record.	INAC circulated community engagement logs.
7-Apr-08	Fortune received ARI email concerning NSMA.	
7-Apr-08	Rick Schryer called Mark Cliffe-Phillips to confirm definition of waste water and discuss WLWB response letter.	
18-Apr-08	Robin Goad confirmed meeting with Pietro deBastiani (GNWT) on Monday 21 April-08.	See 21-Apr-08
21-Apr-08	Mark Cliffe-Phillips sent an update to Fortune about the WLWB meeting and Fortune's LUP application.	
21-Apr-08	Rick Schryer spoke with Rhonda Batchelor (DOT). She commented that at a recent meeting in Gamèti there was nearly 100% support for the road.	
21-Apr-08	Robin Goad, Jim Mucklow, Rick Schryer, and Carl Clouter (Fortune), Mike Conway (DOT), Pietro deBastiani (GNWT), Lou Voytilla (NTPC) met to discuss GNWT/DOT road development.	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
23-Apr-08	Call received from Malcolm Robb (INAC) about the boundaries of the NICO Project. Surveys need to be accepted by Tłıchq, Natural Resources Canada (NRCan), and INAC. Boundaries appear to be correct.	Boundaries confirmed by Tłıchq, NRCan, and INAC.
24-Apr-08	Lou Voytilla (NTPC) meeting with Fortune set for 9-May-08.	
25-Apr-08	Fortune received notification on WLWB decision concerning the eligibility requirements for LUP on Tłıchq lands.	Fortune applications are not complete without an access agreement with the Tłıchq Government and therefore will not be processed. WLWB placed response on public registry.
6-May-08	Rick Schryer received notification from Malcolm Robb (INAC) that legal surveys to delineate the boundaries of the NICO mineral-claim were being completed.	Survey of exact boundaries of NICO Project sent by WLWB to Tłıchq Government, NRCan, and INAC.
7-May-08	Rick Schryer responded to NTPC meeting via e-mail.	
9-May-08	Fortune received email from Paulo Flieg (ARI) regarding NICO TK/TLU ethics applications and socio-economic comments will be sent shortly so that the applications can be finalized.	
12-May-08	Fortune submitted 2007 Annual Report for WL to Mark Cliffe-Phillips (WLWB). Rick Schryer discussed letter from NSMA. WMP was accepted. WLWB requested tour of the NICO site this summer.	WLWB placed copy of Revised WMP Approval Letter on Public Registry.
13-May-08	Rick Schryer called Paulo Flieg (ARI) and discussed NICO TK/TLU ethics applications.	
13-May-08	Rick Schryer called Malcolm Robb (INAC) and discussed NICO TK/TLU ethics applications.	
14-May-08	Rick Schryer called Paulo Flieg (ARI) and discussed NICO TK/TLU ethics applications.	
15-May-08	Rick Schryer had meeting with Malcolm Robb and Gary Potts (INAC). Proposed DOT road route goes over small portion of crown land. Should design road to allow for DOT upgrade. P3 funding (federal, territorial, and Tłıchq and Fortune) a possibility.	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
15-May-08	Rick Schryer met with DOT. Discussed road alignment, baseline data collection by DOT, and P3 funding agreement possibility.	
16-May-08	Rick Schryer and Jim Mucklow met with Leon Courneya, Dan Grakke, Cory Strang, and Ken Dies (NTPC), Nick Mansell, and Alex Nitsiza (Behchokò Development Corporation), Dan Marion (Tìjchò Investment Corporation [TIC]), and Rob Marshall (consultant). Discussed NICO Project and what supplies or partnerships that could be established to supply Fortune with needed manpower and resources.	
26-May-08	Rick Schryer sent an email for Paulo Flieg concerning an update on the ARI permit status.	Fortune received Notification of Research for Licence 14355 for application 766 from ARI on 5-Jun-08
5-Jun-08	Rick Schryer called Bruce Hannah (DFO) to discuss permits for fish survey	Marlene Bailey (DFO) issued Licence to fish for Scientific Purposes.
2-Jul-08	Rick Schryer spoke to Mark Cliffe-Phillips and received an update on meetings between the WLWB and Tìjchò. Tìjchò agreed that they would prefer to have the WL and LUP permits processed.	
15-Jul-08	Rick Schryer called Michael Conway to discuss updates on road.	
16-Jul-08	Rick Schryer sent email to Scott Stewart (INAC) notifying INAC that the NICO camp is opening.	
16-Jul-08	Rick Schryer sent email to Mark Cliffe-Phillips (WLWB) informing him that the NICO camp is opening.	
28-Jul-08	Bruce Hannah (DFO) called Rick Schryer with update on forest fire near NICO site.	
31-Jul-08	Fortune received 2008 Scientific Research Licence No. 14406 from Ashley Mercer (ARI).	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
5-Aug-08	Ashley Mercer (ARI) issued Fortune's Ethics approval and licenses for TK/TLU and socio-economic Impact studies.	
7-Aug-08	Rick Schryer met with Bruce Hannah (DFO) and Anne Wilson (EC). Discussed impact of forest fire on fish habitat and the need for additional baseline data after the fire. Site tour set for 26-Aug-08.	
7-Aug-08	Rick Schryer met with Mark Cliffe-Phillips (WLWB) to discuss community engagement, permit application for NICO Project, exploration programs and LUP applications and set site visit for August 26th.	
9-Aug-08	Fortune received a copy of the Engagement Contact list from the WLWB.	
26-Aug-08	Site visit with Anne Wilson and Dave Fox (Environment Canada), Graham Veale (GNWT), Mark Cliffe-Phillips (WLWB), Bruce Hannah (DFO), and Robin Goad and Rick Schryer (Fortune).	
28-Aug-08	Fortune received proposed Storage Tank Systems for Petroleum Products and Allied Petroleum Products Regulations from Anne Wilson (Environment Canada).	
28-Aug-08	Rick Schryer met with Malcolm Robb (INAC) to discuss NICO applications.	
2-Sep-08	Rick Schryer discussed possible NICO site visit for Gary Potts and Malcolm Robb (INAC).	
8-Sep-08	ARI permits received	
18-Sep-08 to 19-Sep-08	Rick Schryer spoke with Mark Cliffe-Phillips about reapplication of NICO WL and LUP, road application, and community engagement requirements.	
24-Sep-08	NSMA sent letter to Prince of Wales Northern Heritage Centre regarding NICO archeology permit.	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
29-Sep-08	Fortune submitted its Surveillance Network Program report for August 2008 to WLWB.	WLWB posted the report on the public registry.
8-Oct-08	Fortune submitted its Surveillance Network Program report for March 2008 to WLWB.	
14-Oct-08	Rick Schryer spoke with Mark Cliffe-Phillips about community engagement plans and proposed dates.	
21-Oct-08	Fortune received a copy of the INAC draft Aquatic Effects Monitoring Program (AEMP) guidelines.	
28-Oct-08	Rick Schryer spoke with Michael Conway (DOT) about road status updated and upcoming meeting with Tłıchq.	DOT will attend 3-Nov-08 meeting
28-Oct-08	Mark Cliffe-Phillips called Rick Schryer to confirm status of applications, and confirm that WLWB will be meeting with the Tłıchq on 3-Nov-08.	WLWB will attend 3-Nov-08 meeting
29-Oct-08	Rick Schryer spoke to Martin Haefele (MVEIRB) about TOR for NICO Project and key line of inquiry format.	
31-Oct-08	Fortune submitted its Surveillance Network Program report for September 2008 to WLWB.	WLWB posted the report on the public registry
4-Nov-08	Mark Cliffe-Phillips called Rick Schryer updated on consultation required for LUP renewal and meeting with Tłıchq.	
15-Nov-08	Rick Schryer spoke with Mark Cliffe-Phillips about timing of submission for renewals of LUP and WL exploration permits for NICO.	
20-Nov-08	Rick Schryer met with Mark Cliffe-Phillips and discussed the preliminary screening completed by the WLWB for NICO exploration camp WL and LUP applications.	
1-Dec-08	Rick Schryer scheduled a meeting for Fortune with NTPC on 6-Jan-09	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
11-Dec-08	Rick Schryer spoke with Michael Conway (DOT) about update on road.	
15-Dec-08	Fortune received notification from Ashley Mercer (ARI) that the 2009 NWT Scientific Research Licenses #14447 and #14448 were issued.	
6-Jan-09	Tom Rinaldi and Rick Schryer (Fortune) met with Leon Courneya and Cory Stang (NTPC) discussion supplying power for NICO Project.	
6-Jan-09	Tom Rinaldi and Rick Schryer met with Michael Conway and Jim Stevens (DOT) to discuss updates on road. Letter of support for the road sent by Behchokò, Whatì, and Gamètì municipal governments to Tìjchq government.	DOT waiting for letter of support for road from Tìjchq Government.
14-Jan-09	Fortune received details from Cory Stang (NTPC) on capacity and energy pricing and the NICO Project.	NTPC stated that given the low surplus available, they didn't think it would be advantageous for Fortune and NTPC to build a transmission line for interruptible hydro power.
16-Jan-09	Fortune submitted the LUP and WL applications and screening level environmental impact assessment to WLWB, the Tìjchq government, and Arktis.	
22-Jan-09	Rick Schryer talked to Mark Cliffe-Phillips about the ARI permits and Fortune's winter water quality program.	
27-Jan-09	Fortune sent a TK/Socio-economic Baseline Studies Logistics and Information Sharing Request on upcoming TK/socio-economic studies and ARI permits to the Tìjchq Government and WLWB.	
29-Jan-09	Rick Schryer spoke to Mark Cliffe-Phillips for project update and input from Aquatic Effects Monitoring Program Working Group (working group composed of Anne Wilson [Environment Canada], Bruce Hannah [DFO], Nathen Richea [INAC], Rick Schryer [Fortune], Robert Jenkins, Michelle Colbane and Hilary Machtans [Golder]).	Mark Cliffe-Phillips sent links to sources on forest fires and water quality.

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
30-Jan-09	Rick Schryer received confirmation from Mark Cliffe-Phillips (WLWB) that the LUP and WL applications were deemed complete and sent on for review.	WLWB posted the applications on the public registry and requested comments from Tłı̄chǫ Government, INAC, Environment Canada, NSMA and Government of NWT by 28-Feb-09
1-Feb-09	Fortune sent an email to Mark Cliffe-Phillips (WLWB), Anne Wilson (Environment Canada), Bruce Hanna (DFO), and Nathen Richea (INAC) to request the formation of an informal working group for AEMP for the NICO Project. Also discussed effects of forest fire (2008) on NICO Project area.	
2-Feb-09	Fortune received notification from ARI that the research summaries submitted to ARI for 2004 to 2007 had been posted on-line.	
3-Feb-09	Rick Schryer spoke with Michael Conway and Rhonda Batchelor (DOT) about status of road.	
5-Feb-09	Fortune (Rick Schryer) spoke with Paulo Flieg on ARI permits.	6-Feb-09 Fortune received an email from Paulo Flieg (ARI) regarding the Tłı̄chǫ Government statement that they were not given an opportunity to review the TK/TLU applications
7-Feb-09	Fortune submitted Environmental Baseline application to ARI.	
9-Feb-09	AEMP working group meeting (Nathen Richea [INAC], Anne Wilson [Environment Canada], Kathy Racher and Mark Cliffe-Phillips [WLWB], Joe Murdock [Tłı̄chǫ consultant-Arktis], Rick Walbourne and Bruce Hannah [DFO], Hilary Machtans [Fortune consultant – Golder], and Rick Schryer [Fortune]). Discussion on AEMP requirements for NICO WL with emphasis on threshold effects levels. Every 3 years a formal review of the AEMP will be done once the NICO Project is operating. There was discussion between INAC and Environment Canada on harmonization of Metal Mining Effluent Regulations (MMER) and AEMP requirements.	Meeting set for February 16 or 17, 2009 between INAC and EC to discuss harmonization.
11-Feb-09	Rick Schryer called Rhonda Bachelor (DOT) for current status of road.	
11-Feb-09	Rick Schryer met with Malcolm Robb (INAC) discussion on referring the NICO Project to EA.	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
13-Feb-09	Rick Schryer received inquires from Rick Walbourne (DFO) on the WL and LUP applications.	
18-Feb-09	Rick Schryer received a call from Rick Walbourne (DFO) to discuss fisheries section in the WL application.	
18-Feb-09	Rick Schryer discussed status of the 2007 NICO applications with Mark Cliffe-Phillips (WLWB).	The WLWB deemed the applications ineligible because of a lack of an access agreement with Tłı̄chǫ. Applications were withdrawn from the WLWB file.
19-Feb-09	Fortune sent CDs with application and all reports to Mark Cliffe-Phillips (WLWB) and Mark Walbourne (DFO).	
23-Feb-09	WLWB notified Fortune that it sent a request for review of Fortune's LUP renewal application for care and maintenance and condemnation drilling at the NICO Project. Comments requested by 11-Mar-09.	
24-Feb-09	WLWB required confirmation that the drill waste will be placed in the low lying area included in the LUP. Fortune complied with the WLWB request.	
27-Feb-09	Fortune received water quality data for the Marian River at Franks Channel from INAC.	
27-Feb-09	INAC sent a letter to MVEIRB referring Fortune's WL and LUP applications for the Proposed NICO Project Mining and Milling to EA	
2-Mar-09	Fortune received notification from MVEIRB that the NICO Cobalt-Gold-Bismuth Project was referred to EA.	MVEIRB created a file on the public registry for the NICO Project
2-Mar-09	MVEIRB sent out a general public notification to all interested parties that the NICO Cobalt-Gold-Bismuth Project had been referred to EA, which Fortune's WL and LUP and supporting documentation are available on-line and that issues scoping sessions will be held.	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
9-Mar-09	Fortune sent INAC notification of winter road construction and winter program at the NICO exploration site.	
10-Mar-09	Clint Ambrose (INAC) conducted a site inspection of the NICO site and the winter road for the LUP.	
11-Mar-09	Rick Schryer updated Mark Cliffe-Phillips about Sue-Dianne and Crowfoot Claims.	
12-Mar-09	Rick Schryer met with Malcolm Robb and Clint Ambrose (INAC) to discuss inspection results.	
12-Mar-09	Rick Schryer had meeting with Gerald Enns (GNWT) about registering the generator at NICO and waste disposal for the NICO site.	Gerald Enns (GNWT) provided list of authorized waste oil receivers in NWT.
13-Mar-09	Rick Schryer met with Martin Haefele (MVEIRB) to discuss scoping session meetings in Yellowknife, Behchokò, Whatì, and Gamètì	
19-Mar-09	Fortune informed Clint Ambrose (INAC) that the NICO camp and winter road were closed.	Clint Ambrose sent confirmation of receipt of notification.
23-Mar-09	Mark Cliffe-Phillips (WLWB) posted Fortune's LUP W2009C0001 for care and maintenance and condemnation drilling at the NICO Project on the public registry and requested review comments by 11-Mar-09 from INAC, Environment Canada, Tłı̄ch̄q Government, NSMA, DOT, and GNWT.	
26-Mar-09	Fortune received confirmation that LUP for exploration camp approved by WLWB.	
27-Mar-09	Fortune submitted its 2008 Annual Report in support of its WL W2006L2-0002 to WLWB, INAC, and Tłı̄ch̄q Government.	WLWB and INAC confirmed receipt of report. WLWB posted it on the public registry
30-Mar-09	Fortune received issuance documents for LUP W2009C0001 for condemnation drilling and care and maintenance at the NICO Claims from WLWB.	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
1-Apr-09	Rick Schryer sent Michael Conway a copy of Figure 5 from Fortune's road application showing the road alignment.	
2-Apr-09	MVEIRB sent out a scoping request to all individuals that presented their names as interested parties to identify issues that the NICO Project EA will focus on. MVEIRB presented a flow sheet of the scoping phase and identified a deadline of 15 May 2009 for scoping submissions.	
2-Apr-09	Rick Schryer sent the NICO Project Description summary to Martin Haefele at MVEIRB.	
3-Apr-09	Rick Schryer sent the NICO Project Description figures to Alan Ehrlich (MVEIRB), the new project officer for NICO file.	
9-Apr-09	MVEIRB sent out the schedule for the community scoping sessions in Yellowknife, Whatì, and Behchokò. Dates for Gamètì to be confirmed.	
13-Apr-09	Fortune received approval from Clint Ambrose (INAC) for Fortune's plan to clean-up Crowfoot site in June.	
16-Apr-09	MVEIRB sent out an updated schedule for the community scoping sessions in Yellowknife, Whatì, Behchokò, and Gamètì.	
16-Apr-09	Fortune received their 2009 Scientific Research Licence for Environmental Surveys of Fortune Minerals NICO Project #14510 from Paulo Flieg (ARI).	
20-Apr-09	MVEIRB produced an information brochure for the scoping meeting in Yellowknife to explain scoping process, what happens after the scoping session and how to get more information.	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
20-Apr-09	Scoping Session for the Terms of Reference (TOR) for the NICO Project Developer's Assessment Report (DAR) in Yellowknife (sign-up sheet on public registry). Presentations given by Rick Schryer and Jim Mucklow of Fortune on NICO Project Description and potential environmental issues.	Issues discussed included concerns about mine closure with several references to the old Rayrock mine, water quality, wildlife, blasting effects, use of chemicals in the processing of ore, need for an IBA and further consultation. Rick Schryer sent the NICO Project Description and environmental overview presentations to Alan Ehrlich (MVEIRB) on 23-Apr-09.
27-Apr-09	Scoping Session for DAR TOR in Whatì (sign-up sheet on public registry). Presentations given by Rick Schryer and Jim Mucklow of Fortune on NICO Project Description and potential environmental issues.	Issues discussed included concerns about mine closure with several references to the old Rayrock mine, water quality, wildlife, blasting effects, use of chemicals in the processing of ore, need for an IBA and further consultation with Fortune. Both positive and negative comments were presented on the road.
29-Apr-09	Fortune submitted its Surveillance Network Program report for March 2009 to WLWB and sent a copy to INAC.	WLWB posted the report on the public registry.
30-Apr-09	DOT contacted Fortune to inform them that the road baseline studies were approved.	
30-Apr-09	Rick Schryer spoke with Mark Cliffe-Phillips (WLWB) on Station 5.6, road approval and next week's TK meeting.	
1-May-09	Fortune received a letter from MVEIRB entitled "Request for Clarification regarding the Fortune Minerals Ltd. NICO Cobalt-Gold-Bismuth-Copper Project"; Requesting information about the road and off-site processing.	Fortune sent a letter to Alan Ehrlich (MVEIRB) to respond to request for clarification on the road status and off-site processing.
3-May-09	Rick Schryer sent Whatì scoping session presentations to Alan Ehrlich (MVEIRB).	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
4-May-09	Scoping Session for DAR TOR in Behchokò (sign-up sheet on public registry). Presentations given by Rick Schryer and Jim Mucklow of Fortune on NICO Project Description and potential environmental issues.	Issues discussed included concerns about mine closure with several references to the old Rayrock mine, water quality, wildlife, blasting effects, use of chemicals in the processing of ore, need for an IBA and further consultation with Fortune. Both positive and negative comments were presented on the road.
5-May-09	Rick Schryer met with Mark Cliffe-Phillips (WLWB) discussed access and the road application. Confirmed the next AEMP meeting date.	
6-May-09	TK study meeting in Yellowknife (Rick Schryer and Jim Mucklow [Fortune], Mark Cliffe-Phillips and Zabey Nesbit [WLWB], Kerri Garner (Tłıchł Lands Department), Karin Clarke (Wek'èezhii Renewable Resources Board [WRRB]) and Joe Murdock [Tłıchł consultant -Arktis]).	
7-May-09	Scoping Session for DAR TOR in Gamètı (sign-up sheet on public registry). Presentations given by Rick Schryer and Jim Mucklow of Fortune on NICO Project Description and potential environmental issues.	Issues discussed included concerns about mine closure with several references to the old Rayrock mine, water quality, wildlife, blasting effects, use of chemicals in the processing of ore, need for an IBA and further consultation with Fortune. Both positive and negative comments were presented on the road.
8-May-09	Tłıchł Roads Working Group in attendance (Eddie Erasmus and Mark Fenwich [Tłıchł Government], Rick Schryer and Jim Mucklow [Fortune], Michael Conway, Rhonda Batchelor, Dave Wasylein, Jim Steven and Larry Prucha [DOT]). Discussions included: ARI permits, memorandum of understanding, infrastructure planning, and engineering requirements.	
13-May-09	Rick Walbourne (DFO) sent a scoping submission letter regarding the NICO Project to Alan Ehrlich (MVEIRB) and Fortune.	
14-May-09	MVEIRB received scoping comments from NRCan regarding the NICO Project.	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
14-May-09	Behchokò Development Corporation meeting on Whatì run-of-river feasibility. In attendance: Myra Berrub, and Leon Corneya [NTPC], Nick Mansell, Sunny Zoe, Alex Nitsiza, and Mike Godell [Tìjchò Investment Corporation], Rob Marshall [consultant], Rick Schryer [Fortune], David Connelly [Avalon Resources representative], and James Washee [Tìjchò citizen]. Presentation and discussion of NICO Project.	
15-May-09	MVEIRB received scoping comments from INAC regarding the NICO Project	
15-May-09	MVEIRB received scoping comments from Ecology North regarding the NICO Project	
19-May-09	MVEIRB extended the deadline for scoping submissions to 1 June 2009 due to scheduling issues for the Wekweèti scoping session.	
19-May-09	Fortune submitted request for 60 day extension for submission of Final Plan for LUP MV2002C0002 to Clint Ambrose (INAC).	Extension granted by INAC
26-May-09	Fortune received a letter from MVEIRB titled "NICO Project processing plant location" requesting confirmation of the location of the processing plant and clarification on associated changes that would occur to chemical shipped in, energy demands, water management and jobs.	See 17 June 2009 entry
26-May-09	Rick Schryer spoke to Mark Cliffe-Phillips about application cheques.	
1-Jun-09	MVEIRB received a letter from Arktis (Consultants for the Tìjchò Government) with scoping comments regarding the NICO Project.	
1-Jun-09	MVEIRB received a letter from GNWT with scoping comments regarding the NICO Project.	
1-Jun-09	MVEIRB received scoping comments from the WRRB regarding the NICO Project	
1-Jun-09	MVEIRB received scoping comments from the NSMA regarding the NICO Project	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
1-Jun-09	Fortune sent MVEIRB a letter with response to commonly asked questions during the EA scoping session for the Fortune Minerals Limited NICO Cobalt-Gold-Bismuth-Copper Project.	
3-Jun-09	Fortune received a review of scoping comments from NSMA, INAC, DFO, and NRCan.	
3-Jun-09	Rick Schryer called Alan Ehrlich (MVEIRB) to invite MVEIRB board to visit NICO site and to inquire why there were no comments received from Environment Canada.	
4-Jun-09	Notification of occupancy of NICO camp form 5 June to 10 July 2009 sent to Clint Ambrose (INAC) and Mark Cliffe-Phillips (WLWB).	
4-Jun-09	Rick Schryer received a road update from Rhonda Batchelor (DOT).	
4-Jun-09	Rick Schryer received word from Alan Ehrlich (MVEIRB) that no comments are forthcoming from Environment Canada.	
5-Jun-09	Rick Schryer sent a review of Tłı̄ch̄o scoping session comments to Alan Ehrlich (MVEIRB).	
17-Jun-09	Fortune submitted its Final Plan submission to WLWB for LUP MV2002C0002.	
17-Jun-09	Fortune sent a letter to Alan Ehrlich (MVEIRB) responding to their 26 May 2009 letter about the Southern Metal Hydrological Facility (SMHF) and that its location has not yet been decided.	MVEIRB posted letter on public registry 17-Jun-09.
17-Jun-09	Fortune received a copy of the Draft CRP Guidelines from Mark Cliffe-Phillips (WLWB) dated 15-Jun-09.	
23-Jun-09	Nahum Lee (INAC) completed an inspection of the NICO site for LUP W2009C0001.	INAC sent inspection report to Fortune on 25-Jun-09
23-Jun-09	Fortune submitted summary for 14355- Baseline studies, 14409-Socio-economic studies, and 14406N – TK studies to ARI	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
25-Jun-09	MVEIRB proposed a summary of community scoping issues for the NICO Project from the Gamèti community scoping session.	
25-Jun-09	Call from Nahum Lee (INAC) about management of land farm at the NICO Project	
25-Jun-09	Fortune received notification on requirements for security deposit under LUP W2009C0001.	
30-Jun-09	Fortune received a letter from MVEIRB indicating that the scoping stage for the EA will be completed once the WLWB has received the specific road route.	
2-Jul-09	Rick Schryer spoke to Alan Ehrlich (MVEIRB) about the MVEIRB letter on the road route report. MVEIRB needs the route from the NICO Project to Highway 3.	
13-Jul-09	Rick Schryer spoke with Scott Stewart (INAC) about permission given for discharge into wetland. Need to sample each day	
13-Jul-09	Rick Schryer spoke to Alan Ehrlich (INAC) Fortune needs to update the NICO Project Description with changes to process plant.	
13-Jul-09	Rick Schryer spoke with Mark Cliffe-Phillips (WLWB) about discharge and Surveillance Network Program station 5-6. Mark confirmed that a framework for the AEMP is required for the EA.	
16-Jul-09	Rick Schryer met with Scott Stewart and Nathen Richea (INAC) to discuss discharge at the NICO Project and other site issues. INAC requests that Fortune submit WQ results prior to start of discharge. May be at site July 23 or August 4.	
16-Jul-09	Rick Schryer met with Malcolm Robb (INAC) and discussed road issue.	
16-Jul-09	Rick Schryer met with Mark Cliffe-Phillips (WLWB) to update WLWB on site discharge and meeting with INAC. Discussed AEMP design, TK study, and upcoming site visits.	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
17-Jul-09	Rick Schryer met with Michael Conway and Rhonda Batchelor (DOT) update on TIC bid for work, Tjchq meetings, and Light Detection and Ranging (LiDAR) imaging.	
17-Jul-09	WLWB sent Fortune a copy of their Draft Closure and Reclamation Guidelines.	
22-Jul-09	Rick Schryer spoke with INAC and WLWB concerning discharge from the decline. Sent in preliminary water quality data from decline and settling pond to Scott Stewart (INAC).	
23-Jul-09	Rick Schryer sent a report on water quality from the settling pond and decline discharge in July to Scott Stewart (INAC) and Mark Cliffe-Phillips (WLWB).	Scott Stewart (INAC) sent a reply that INAC had no issues with the discharge plan on 24-Jul-09
23-Jul-09	Rick Schryer spoke to Alan Ehrlich (MVEIRB) about letter written by Joe Murdoch (Arktis) on road that was sent to MVEIRB.	
23-Jul-09	Rick Schryer spoke to Mark Cliffe-Phillips (WLWB) about letter written by Joe Murdoch (Arktis) on road that was sent to MVEIRB	
23-Jul-09	MVEIRB received a letter from Arktis (Consultant for the Tjchq Government) stating that no formal plans are in place to construct a road over Tjchq territory.	
28-Jul-09	Rick Schryer notified INAC of initiation of discharge from decline.	
28-Jul-09	Rick Schryer notified WLWB of initiation of discharge from decline.	
28-Jul-09	Fortune informed Alan Ehrlich (MRVB) that it was moving part of the process plant to a southern location.	
30-Jul-09	Fortune submitted June 2009 Surveillance Network Program report to Mark Cliffe-Phillips (WLWB) and sent copy to INAC.	WLWB posted report on public registry.

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
5-Aug-09	Fortune received a request for information on contaminated soil storage area and potential fall drill program.	
6-Aug-09	Fortune sent Alan Ehrlich (MVEIRB) a letter outlining the proposed DOT all-land winter road route.	
11-Aug-09	Rick Schryer spoke with Alan Ehrlich (MVEIRB). Fortune can cover use of DOT road in EA.	
12-Aug-09	Conference call between Malcolm Robb (INAC) and Robin Goad and Rick Schryer (Fortune) discussed road and TOR, approaching ADM or DM and including DOT consultation in MVEIRB public record.	
12-Aug-09	Fortune sent a memo outlining the water quality results of the discharge from the decline at the NICO Project to INAC and WLWB.	
12-Aug-09	Rick Schryer contacted Michael Conway (DOT) with update about the conference call with INAC.	
13-Aug-09	Rick Schryer spoke with Scott Stewart (INAC) about discharge at site and told that it is okay to discharge with new conditions.	
13-Aug-09	Rick Schryer sent email formally requesting re-start of discharge on August 15, 2009 and sent copies to INAC, WLWB, and Tłjchq Government.	
13-Aug-09	Rick Schryer received a copy of 23 June 2009 INAC site inspection from Scott Stewart.	
13-Aug-09	Rick Schryer sent email to Michael Conway (DOT) about possible meeting with ADM or DM.	
13-Aug-09 to 14-Aug-10	Rick Schryer received a call from Chuck Hubert of MVEIRB. He has taken over for Alan Ehrlich. MVEIRB will not be visiting NICO site.	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
18-Aug-09	Rick Schryer sent notification to Scott Stewart, Nahum Lee and Michael Martin (INAC) and Mark Cliffe-Phillips (WLWB) that baseline environmental program will begin at the NICO site 25-Aug-09 and is expected to run until 4-Sep-09.	
31-Aug-09	Fortune submitted July 2009 Surveillance Network Program report to WLWB and INAC.	WLWB posted report on public registry.
31-Aug-09	Fortune submitted final plan for LUP MV2002C0002 at the Crowfoot and Sue-Dianne properties to INAC and WLWB.	
31-Aug-09	Rick Schryer confirmed 10 September 2009 meeting with Paul Mercredi of MVEIRB.	
2-Sep-09	Fortune sent a letter detailing changes in the ore processes at NICO due to transferring part of the process to a Southern Metal Hydrometallurgical Facility to Alan Ehrlich and Chuck Hubert (MVEIRB)	
3-Sep-09	Fortune sent notification to Clint Ambrose, Nahum Lee, Michael Martin and Scott Stewart (INAC) and Mark Cliffe-Phillips (WLWB) that the NICO camp was closing 3-Sep-09. Fortune will submit a plan for passive discharge.	
9-Sep-09	Rick Schryer sent email to INAC and WLWB indicating that Fortune would not be using passive discharge from the decline but will continue with existing procedure.	
11-Sep-09	Rick Schryer spoke with Chuck Hubert (MVEIRB) about status of Draft TOR. Told that terms should be out in about 10 days and there will be a two week review period.	
15-Sep-09	Rick Schryer responded to INAC request for the approval of the final plan for the LUP MV2002 C002.	
15-Sep-09	Fortune received Draft TOR for the EA of the NICO Project from MVEIRB.	
29-Sep-09	Fortune submitted the August 2009 Surveillance Network Program report to Mark Cliffe-Phillips (WLWB) and INAC.	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
5-Oct-09	Rick Schryer emailed WLWB and INAC to advise them of the rising water level in the decline at NICO site due to heavy rains and request a meeting to discuss a passive discharge system.	
5-Oct-09	Rick Schryer spoke to Mark Cliffe-Phillips (WLWB) to update him on the CRP and provide all water quality results from decline sampling in a summary document. AEMP meeting schedules for next week.	
6-Oct-09	Discussion with Michael Conway (DOT) on draft TOR.	
6-Oct-09	Rick Schryer sent INAC and WLWB a water quality summary for the discharge from the decline and the confirmed Crowfoot clean-up complete.	Meeting with INAC set for 14-Oct-09
13-Oct-09	AEMP (Closure and Reclamation) Working Group Meeting. Attendees included: Nathen Richea (INAC), Rick Walbourne (DFO), Ryan Fequet (WLWB) and Jim Mucklow and Rick Schryer (Fortune). Overall objectives, template, high-level objectives and community consultation requirements.	
14-Oct-09	Rick Schryer met with Michael Martin and Clint Ambrose (INAC). Passive discharge from decline plan at NICO site acceptable. Fortune must formally submit the plan. Rick provided updates on Crowfoot, Spills and soil containment area.	
14-Oct-09	Rick Schryer met with Chuck Hubert, Alan Ehrlich and Paul Mercredi (MVEIRB) and discussed draft TOR, EA schedule, and road permitting.	
14-Oct-09	WRRB sent MVEIRB their Draft TOR for the NICO Project	
16-Oct-09	MVEIRB sent a letter to inform Fortune that the Draft work plan for the EA of the Fortune Minerals Ltd. NICO Cobalt-Gold-Copper-Bismuth Project had been released for comment.	
16-Oct-09	INAC sent MVEIRB their Draft TOR for the NICO Project.	
16-Oct-09	Fortune submitted comments on the Draft TOR for the EA of the NICO Project to MVEIRB.	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
16-Oct-09	DFO sent MVEIRB their Draft TOR for the NICO Project.	
16-Oct-09	GNWT sent MVEIRB their Draft TOR for the NICO Project.	
16-Oct-09	NRCan sent MVEIRB their Draft TOR for the NICO Project.	
20-Oct-09	Fortune sent letter to INAC on management plan for contaminated soils.	
21-Oct-09	Fortune received draft EA workplan from MVEIRB	
23-Oct-09	Rick Schryer received a call from Rick Walbourne (DFO) and discussed engagement requirement for EA.	
23-Oct-09	Rick Schryer set-up a meeting with Chuck Hubert (MVEIRB) 26-Oct-09	
26-Oct-09	Rick Schryer met with Chuck Hubert (MVEIRB) discussed final DAR workplan and distribution of DAR. Discussed community engagement.	
26-Oct-09	Rick Schryer met with Mark Cliffe-Phillips (WLWB). Discussions included Wekweèti meeting and CRP requirements. Mark Cliffe-Phillips to set meeting with Michael Martin, Chuck Hubert, and Alan Ehrlich (MVEIRB) to work out requirements for Fortune.	
26-Oct-09	Rick Schryer met with Malcolm Robb (INAC) and discussed Fortune's right to access the NICO Project, EA workplan, and the possibility of setting up a workshop on hydrometallurgy for regulators in NWT.	
27-Oct-09	Rick Schryer met with Rhonda Batchelor and Michael Conway (DOT) to discuss update on road initiative.	
27-Oct-09	MVEIRB released the agenda for the Wek'weeti scoping session for the NICO Project EA	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
28-Oct-09	Fortune received notification of the Wekweëti EA scoping session set for 2-Nov-09	
30-Oct-09	Fortune submitted its Surveillance Network Program report for September 2009 to WLWB.	WLWB posted the report on the public registry
30-Oct-09	Fortune sent comments on NICO EA workplan to MVEIRB.	
2-Nov-09 to 3-Nov-09	Scoping Session for DAR TOR in Wekweëti (sign-in sheet on public registry). Presentations given by Rick Schryer and Jim Mucklow of Fortune on Project Description and potential environmental issues. Questions and comments received from Kerri Garner (Tłı̄ch̄o Lands Protection Department), Nick Lamouelle, Chief Charlie Football, Joseph Dryneck, Sam Simpson, and Bruce Football.	Issues discussed included, but were not limited to, IBA, safety of tailings dam, water quality, potential for wildlife contamination, closure, spill clean-up, seepage from the tailings dam, employment, and training
6-Nov-09	Rick Schryer sent a summary from meeting with Tłı̄ch̄o Government to Michael Conway (DOT).	
12-Nov-09	Rick Schryer set-up a meeting with DFO to discuss NICO baseline reports.	
20-Nov-09	Rick Schryer met with Rick Walbourne (DFO) and discussed timing and location of baseline studies for the NICO Project	
24-Nov-09	Fortune submitted its Surveillance Network Program report for October 2009 to WLWB.	WLWB posted the report on the public registry
7-Dec-09	Rick Schryer met with Alan Erlich, Chuck Hubert, and Paul Mercredi (MVEIRB) to discuss endpoints, carbon emissions, and TK. Set-up meeting to review TOR on 7-Dec-09	
8-Dec-09	La Martre River Run-Of-River Project Meeting discussion and update with Nick Mansell, Dan Marion, Alex Berrard, Alec Nitsiza, Andre Stewart (TIC), John B. Zoe (Tłı̄ch̄o Government), Leon Courneya (NTPC), Rob Marshall (consultant), Bob Johnson (Aboriginal Engineer), David Connelly (Avalon Resources Limited), and Rick Schryer (Fortune)	
8-Dec-09	Fortune received 7-Dec-09 meeting minutes from Chuck Hubert (MVEIRB).	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
17-Dec-09	Rick Schryer sent meeting request to Michael Conway (DOT).	Michael Conway suggested January 12 or 13, 2010 meeting.
18-Dec-09	Rick Schryer spoke with Mark Cliffe-Phillips and discussed AEMP guidelines and WLWB requirements.	
21-Dec-09	Rick Schryer sent meeting requests for AEMP and CRP working groups.	Mike Conway (DOT) suggested meeting January 12 or 13, 2010
4-Jan-10	Rick Schryer spoke to Malcolm Robb (INAC) about the financial securities for the exploration camp WL and LUP.	
12-Jan-10	AEMP working group meeting to update group on NICO Project, water discharge plan, response management guidelines, and threshold for significance for Effluent Quality Criteria.	
12-Jan-10	Rick Schryer met with Mark Cliffe-Phillips and Kevin Ross (WLWB) and discussed road permitting status.	
13-Jan-10	Rick Schryer met with Michael Conway (DOT) update on road status.	
14-Jan-10	Rick Schryer met with Malcolm Robb (INAC) to discuss financial deposits for NICO exploration camp.	
20-Jan-10	Rick Schryer sent details about winter road to INAC	
26-Jan-10	Rick Schryer sent email to Michael Conway (DOT) requesting update on DOT response to Tłjchq Government letter about road.	
1-Feb-10	Rick Schryer received a meeting request from Deborah Archibald (GNWT) to discuss socio-economic agreement between Fortune and GNWT.	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
2-Feb-10	Rick Schryer discussed road update with Michael Conway (DOT)	
16-Feb-10	Rick Schryer sent meeting requests to GNWT and WLWB for February 22 and 23, 2010.	
18-Feb-10	Rick Schryer confirmed meeting with WLWB for next week to discuss AEMP.	
23-Feb-10	Rick Schryer met with Mark Cliffe-Phillips (WLWB) and Alan Erlich (INAC) and discussed winter water quality program, threshold levels, and AEMP.	
26-Feb-10	Fortune sent copy of the NSMA letter containing their comments and conditional approval of the 2010 wildlife research plan for NICO to Jonathan Michel (ARI)	
3-Mar-10	Fortune received permit for 2010 socio-economic study #1243 from ARI.	
7-Mar-10	Rick Schryer spoke with Chuck Hubert (MVEIRB) who requested an update on mine footprint.	
12-Mar-10	INAC inspected the NICO site. A copy of the inspector's report was sent to Fortune 13-Mar-10.	
31-Mar-10	Fortune submitted its Surveillance Network Program report for February 2010 to WLWB.	WLWB posted the report on the public registry
31-Mar-10	Fortune submitted its 2009 Annual Report in support of its WL W2006L2-0002 to WLWB, INAC, and Tłı̄chǫ Government.	30-Apr-10 Fortune received approval of report from Brett Wheeler (INAC)
1-Apr-10	Rick Schryer contacted Malcolm Robb (INAC) and Mark Cliffe-Phillips (WLWB) to discuss security deposit.	
26-Apr-10	Fortune submitted its Surveillance Network Program report for March 2010 to WLWB.	WLWB posted the report on the public registry
29-Apr-10	Fortune received a copy of the Mackenzie Valley Land and Water Board Draft Water and Effluent Quality Management Policy for review and comment from Kathy Racher (WLWB).	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
3-May-10	Rick Schryer met with Chuck Hubert and Paul Mercredi (MVIRB) and discussed DAR update on NICO Project since application submission, road, and TK program.	
4-May-10	Rick Schryer met with Mark Cliffe-Phillips and Kevin Ross (WLWB) and discussion included draft guidelines for Effluent Quality Criteria, initial dilution zone, and risk assessment workplan	
5-May-10	Rick Schryer met with Malcolm Robb (INAC) and discussed request to have INAC meet with Tłı̨ch̓ Government to discuss road ownership and timing of leases.	
18-May-10	Rick Schryer had a conference call with Dave Fox (Environment Canada) and Golder air quality modeling staff on NICO Project air quality modeling.	
28-May-10	E-mail from Art Pape on behalf of Tłı̨ch̓ Government to Robin Goad providing a copy of the letter to MVEIRB from the Tłı̨ch̓ Government requesting a ruling from MVEIRB to hold Fortune's EA application in abeyance because of concerns over the completeness of the application and access road.	
28-May-10	Fortune submitted its Surveillance Network Program report for April 2010 to WLWB.	WLWB posted the report on the public registry
2-Jun-10	Rick Schryer met with MVEIRB (Chuck Hubert, Pierre Mercredi, Martin Haefele, and John Donihee) to discuss NICO Project and Tłı̨ch̓ Government Request for Ruling.	
2-Jun-10	Robin Goad and Rick Schryer met with Kate Hearn of the Northern Major Projects Office to discuss NICO Project.	
3-Jun-10	Robin Goad, Tom Rinaldi, Rick Schryer (Fortune) met with Michael Conway and Rhonda Batchelor (DOT) to discuss update on road.	
3-Jun-10	Rick Schryer met with Paul Mercredi, Martin Haefele, and Chuck Hubert (MVEIRB) regarding the Tłı̨ch̓ Government request for ruling on the NICO EA.	7-Jun-10 MVEIRB sent replies to questions posed at meeting by Fortune.

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
10-Jun-10	Fortune submitted a letter to MVEIRB in response to the Request for Ruling by the Tłıchǫ Government. The letter stated that Fortune was willing to delay submission of the DAR until December 2010 so that negotiations with the Tłıchǫ Government could be held to resolve any issues. Fortune also stated that it felt that putting the EA process in abeyance would not benefit the Tłıchǫ Government land use planning process as it would address the potential impacts and mitigation strategies associated with Fortune use of the DOT road and the NICO Project access road.	
21-Jun-10	Fortune submitted its Surveillance Network Program report for May 2010 to WLWB.	WLWB posted the report on the public registry
23-Jun-10	Rick Schryer received an update on road status from Michael Conway (DOT).	
28-Jun-10	Fortune submitted summaries in support of scientific research licenses #14448 (2009 Socio-economic) and #14447 (2009 TK and TLU).	
9-Jul-10	Rick Schryer met with Northern Major Projects Office represented by Altaf Lakhani, Matthew Spence, Kate Hearn, and Canadian Northern Economic Development Agency (CANOR) to discuss potential road P3 and development of business opportunities with Tłıchǫ.	
13-Jul-10	MVEIRB sent copy of letter from NSMA about request for ruling.	
14-Jul-10	Mark Cliffe-Phillips (WLWB) called to discuss the request for ruling.	
14-Jul-10	Chuck Hubert (MVEIRB) called Rick Schryer to discuss request for ruling and TK study.	
15-Jul-10	Chuck Hubert (MVEIRB) sent a copy of the Tłıchǫ Government final submission for request for ruling to Fortune.	
19-Jul-10	Rick Schryer spoke with Michael Conway (DOT) about status of Request for Ruling	
19-Jul-10	Fortune submitted a letter to the MVEIRB to be posted on the public registry detailing the proposed roads for the EA for the NICO Project.	MVEIRB posted letter on public registry.

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
19-Jul-10	Fortune completed a NICO site visit on 13-Aug-10 for WLWB board members and staff and DFO representatives.	
23-Jul-10	INAC conducted an inspection of the NICO site.	27-Jul-10 INAC sent a copy of the 23-Jul-10 inspection to Fortune.
26-Jul-10	Rick Schryer spoke with Michael Conway (DOT) about update to road initiative.	
3-Aug-10	Fortune submitted its Surveillance Network Program report for June 2010 to WLWB.	WLWB posted the report on the public registry
3-Aug-10	John Pollard (INAC special designate) called Rick Schryer to set up meeting on 9-Aug-10	See 9-Aug-10
3-Aug-10	Fortune submitted an application for a quarry permit to INAC.	9-Aug-10 INAC sent application out for comment due by 7-Sep-10 to Tłı̄ch̄ lands.
3-Aug-10	Rick Schryer and Malcolm Robb (INAC) discussed Tłı̄ch̄ Agreement and road.	
4-Aug-10	Fortune sent draft copy of presentation for Whatı meeting to Michael Conway (DOT) for review and comment.	
9-Aug-10	Rick Schryer met with Mark Cliffe-Phillips (WLWB) and discussed Whatı meeting, road, and planned NICO site visit for 13-Aug-10.	Mark Cliffe-Phillips unable to attend 13-Aug-10 NICO site visit.
9-Aug-10	Rick Schryer met with John Pollard (INAC) to discuss the NICO Project and regulatory improvement	
10-Aug-10	Rick Schryer met with Michael Conway (DOT) and discussed Whatı presentation, road, and meeting logistics.	

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
12-Aug-10	Attendance at road workshop in Whati by Robin Goad, Rick Schryer, Tom Rinaldi, and Carl Clouter of Fortune. DOT represented by Michael Conway and Rhonda Batchelor. Tłjchq Government represented by Joe Rabesca, Alphonz Nitsiza (chairperson for the workshop), Eddie Chocolate, Clifford Daniels, and Charlie Football. Presentations given by Fortune and DOT on the Tłjchq road. Hard copies of presentations provided. Questions concerning various aspects of the all-land winter road, the timing of an all-season road, and the NICO Project from Alphonse Apples, Jimmy Rabesca, Lena Garcon, Francis Simpson, Nick Lamouelle, and Johnny Simpson. Closing remarks from Michael Conway, Robin Goad, and Alphonz Nitsiza.	Fortune requested permission from Tłjchq government to post the presentation given at this workshop on the public registry. This request has not been granted.
13-Aug-10	NICO site tour provided for WLWB board members (Violet Camsell-Blondin, George Mackenzie, Mike Nitsiza, Camilia Zoe-Chocolate) and staff (Bret Wheler) and representatives from DFO including Rick Walbourne and Sarah Olivier. Topics discussed with the WLWB included mine design and operation, water quality, conceptual closure plans and approaches to monitoring. A specific discussion was held with DFO concerning the location and design of the water intake in Lou Lake.	Fortune to submit plans for the design and operation of the water intake in Lou Lake to DFO for review and approval.
23-Aug-10	Fortune submitted its Surveillance Network Program report for July 2010 to WLWB.	WLWB posted the report on the public registry
23-Aug-10	Fortune submitted "Landfarm Design for NICO Project" to INAC	
26-Aug-10	Rick Schryer met with Chuck Hubert (MVEIRB) and discussed Whati road presentation, road workshop, and NICO Project update.	
27-Aug-10	MVEIRB rules to deny the Tłjchq Government's request to put the NICO Program EA in abeyance.	
8-Sep-10	INAC inspection of NICO site.	Report on results of inspection sent to Fortune 10-Sep-10.
10-Sep-10	Fortune received comments from INAC inspectors' reports on quarrying at site and condition of drill ponds. Rick Schryer contacted Nathen Lee to discuss path forward in light of inspection requests.	Fortune replied to INAC requests.

FORTUNE MINERALS LIMITED NICO DEVELOPER'S ASSESSMENT REPORT

Date	Communication	Fortune Response/Action
13-Sep-10	Fortune wrote letter addressing INAC issues with quarrying activities on site. Rick Schryer called Nahum Lee to set-up meeting in Yellowknife 20-Sep-10.	Nahum to provide clarification on notification requirements at 20-Sep-10 meeting.
15-Sep-10	Rick Schryer contacted Nahum Lee (INAC) and discussed reporting requirements for first 50 cubic yards of quarry material.	INAC sent letter to Fortune concerning use of quarries in 2010 and amount of material that can be processed within permit.
15-Sep-10	Rick Schryer spoke with Chuck Hubert (MVEIRB) about DAR information requirements.
