September 16, 2026

Dear Catherine and Clémentine,

On behalf of the **Inuvik Métis Council (IMC)**, I am writing to confirm IMC's participation in the October 1, 2026, technical re-scoping session for the Mackenzie Valley Highway environmental assessment.

I will participate **virtually on behalf of IMC**.

IMC President **Les Skinner** may also participate, as may **Deanna Bailey**, Executive Director. Please send the meeting information and virtual participation link to, myself at [REDACTED] and Deanna Bailey at inuvikmetis council@northwestel.net. Deanna will coordinate any additional IMC participation.

IMC appreciates the opportunity to participate in the re-scoping process and may raise matters concerning the expanded project scope and the information requirements to be addressed in the revised Terms of Reference.

Please confirm that IMC has been added to the participant list and that the virtual meeting information will be provided when available.

Thank you.

Wayne Drury
On behalf of the Inuvik Métis Council
