Note to File

To all parties:

Pine Point Mine Project, Pine Point Mining Limited

Mackenzie Valley Review Board (Review Board) staff met Government of the Northwest Territories (GNWT) staff on August 12, 2025, to discuss the information request from the Review Board to the GNWT for the Pine Point environmental assessment (EA).

Meeting attendees were:

- Review Board staff:
  - Melissa Pink
  - Catherine Fairbairn
  - Alan Ehrlich
  - Mark Cliffe-Phillips
- GNWT staff:
  - Nancy Njerere
  - Alison Heslep
  - Lorraine Seale

The discussion focused on the timeline of the GNWT's response to the information request the Review Board issued on August 1, 2025. Review Board staff noted that the August 29th deadline on the Online Review System was tentative, pending upcoming engagement with Indigenous Governments, and would likely be extended after that engagement. The GNWT indicated that, while it may be able to rush a response faster if required, it would be able to respond more completely to the Review Board's information request towards the end of September 2025.
