RE: Imperial Oil NWT Ltd. Self Referral Request for Environmental Assessment of Final Closure and Reclamation of the Norman Wells Operations

On February 27, 2025, the Review Board asked Imperial when it plans to request the Review Board to order an environmental assessment of its closure activities for the Norman Wells Operations ([PR#39](#)). Imperial responded on March 25, 2025, and stated that it would submit a self referral request for the Review Board to initiate an environmental assessment for closure and reclamation of the Norman Wells Operations by Monday, March 31st ([PR#41](#)).

Imperial submitted its self-referral request on Monday March 31st. The request is posted on the Review Board's public registry in the Other Board Decision (OBD) section of the public registry.

The following is a link to the public registry for this file,

- [Normal Wells Operations Closure and Reclamation, OBD24/25-01](#)

The following is a link for Imperial's self referral request,

- [Developer's self referral request for Closure and Reclamation of the Norman Wells Operations.](#)

The Review Board will consider Imperial's request.
