To all parties:

RE: Mackenzie Valley Highway – Technical Re-scoping Session

The Mackenzie Valley Environmental Impact Review Board (Review Board) has scheduled a technical re-scoping session in Yellowknife. No parties have raised major concerns about the proposed date of October 1.

However, the Review Board is aware that accommodation options on those dates in Yellowknife are very limited. The meeting is intended to be hybrid, with participation available online and in person.

If parties have concerns with proceeding with the meeting on October 1, please let Catherine Fairbairn (cfairbairn@reviewboard.ca) and Clémentine Bouche (cbouche@reviewboard.ca) know by Tuesday, September 15.
