RE: GNWT Extension for responding to ORS comments

On November 13, 2026, the Government of the Northwest Territories (GNWT) requested an extension from November 13, 2026, to December 11, 2026, for submitting its responses to parties' comments on the scope and draft Terms of Reference. It indicated that it would respond to all comments at the same time, including comments from three groups that were granted an extension to submit comments on November 27, 2026. **The Review Board accepts the GNWT's request for an extension.**
