Dear JoAnne Deneron:

The Northern Participant Funding Program (the Program) has approved participant funding for the Mackenzie Valley Environmental Impact Review Board’s (the Board) environmental assessment of Imperial Oil Resources N.W.T. Limited’s proposed Line 490 Replacement Project (EA2425-01) in Norman Wells, Northwest Territories.

The Program has reviewed and approved funding allocations to five applicants. I am satisfied that these allocations will provide the best value to the Board’s assessment process. I am pleased to award the following amounts to the successful applicants:

Recipient	Amount provided
Déłıne Got’ıne Government	\$31,826.00
Déłıne Renewable Resources Council	\$61,536.00
Gwich’in Tribal Council	\$72,350.00
K’ahsho Got’ıne Foundation (On behalf of five Fort Good Hope Organizations)	\$129,282.00
Sahtú Renewable Resources Board	\$82,492.00
TOTAL	\$377,486.00

This funding is contingent on each party being able to enter into and meet the requirements of a contribution funding agreement with Crown-Indigenous Relations and Northern Affairs Canada. The central point of contact for these agreements will be Trish Wilson, Northern Participant Funding Program Manager, Crown-Indigenous Relations and Northern Affairs, Trish.Wilson@rcaanc-cirnac.gc.ca.

In closing, I would like to thank the Board for their efforts in ensuring all parties have a meaningful opportunity to bring important information to the assessment of Imperial Oil Resources N.W.T. Limited’s proposed Line 490 Replacement Project.
