Re: Mackenzie Valley Highway – Minor updates to Round 2 IRs

The deadline for the second round of information requests (IRs) was Friday, January 17. A few small corrections were made to IRs the week of January 20, as Review Board staff or parties noticed minor problems. Any parties that have downloaded all the IRs from the ORS should note the following:

- Sahtu Renewable Resources Board (SRRB)
 - The SRRB IRs were uploaded twice under two names. Review Board staff deleted the one under PlanIt North, leaving the one uploaded under the SRRB heading.
- Délı̨ne Renewable Resources Council (DRRC)
 - The amount of text in the DRRC IR resulted in the last few questions being cut off. Review Board staff got the missing text from DRRC and uploaded the text as three separate IRs, following the numbering of the DRRC questions.
- Review Board
 - Minor correction to the wording in brackets in IR 24 bullet 5.
- Gwich'in Tribal Council
 - The Gwich'in Tribal Council provided updated wording on January 22 to the preamble and part 1 of its IR 1 on caribou.
- Łı́ıdlı̨ Kúęé First Nation (LKFN)
 - The link in IR 1 to the draft Dehcho Land Use Plan was no longer valid and was removed at the request of LKFN.
