Notice of Proceeding

Mackenzie Valley Highway, Government of the Northwest Territories

RE: Deadline to respond to parties' comments on information requests

On December 20, 2024, the Mackenzie Valley Review Board (Review Board) issued three information requests (IR-7, IR-8, and IR-10) to Indigenous Governments and organizations regarding the highway alignment. Responses were due by January 30, 2025.

To ensure a fair and transparent process, the Review Board is allowing the Government of the Northwest Territories (GNWT), the developer of the Mackenzie Valley Highway, to respond to the answers and comments on IR-7 and IR-8. The deadline for the GNWT's response is **March 7, 2025**. Responses should be emailed to Environmental Assessment Advisor Clémentine Bouche at cbouche@reviewboard.ca, who will then post them on the Registry.

The primary contact on behalf of the Review Board for the Mackenzie Valley Highway project is Senior Environmental Assessment Advisor Catherine Fairbairn (867-766-7054, cfairbairn@reviewboard.ca).
