Subject: EA-1213-02, Questions to parties about routing

Hi Catherine:

In response to the Board's December 20, 2024 letter, I am responding on behalf of the Tulita Working Group as follows:

- 1. Describe discussions with GNWT about rerouting around Bear Rock and at Big Smith Creek. Is the current alignment around Bear Rock and at Big Smith Creek acceptable?**

The Tulita Working Group appreciates the GNWT's recent visit to the community on this topic.

- a. Is the proposed re-routing sufficient to address all concerns?**

The re-routing is sufficient to address routing-specific concerns.

- 2. Are there any additional reroutes required to address concerns raised by individuals or organizations in Tulita?**

The Tulita Working Group is not aware of any further routing specific concerns.
