Notice of Proceeding

Mackenzie Valley Highway, Government of the Northwest Territories

RE: DAR Addendum deadline extension

On February 24, 2025, the Mackenzie Valley Review Board (Review Board) issued information requests to the Government of the Northwest Territories (GNWT), which is the developer proposing the Mackenzie Valley Highway. The deadline for the GNWT to respond to these requests is **April 11, 2024**.

In addition, the GNWT is responsible for submitting a DAR addendum. This addendum should serve as a single document that clearly describes all the changes made to the project and related mitigations by the developer during the environmental assessment. To ensure the addendum is comprehensive and includes the most up-to-date information, including the responses to the Review Board's most recent information requests, the Review Board has extended the GNWT's deadline for submitting the DAR addendum from the end of March to **April 11, 2024**.

If parties or the developer have any questions related to this Notice of Proceeding, please email Environmental Assessment Advisor Clémentine Bouche at cbouche@reviewboard.ca.

The primary contact on behalf of the Review Board for the Mackenzie Valley Highway project is Senior Environmental Assessment Advisor Catherine Fairbairn (867-766-7054, cfairbairn@reviewboard.ca).
