## Re: Review Board Member appointments

---

The Review Board welcomes the recent appointment of Dr. Shelagh Montgomery (Government of the Northwest Territories nominee) and the re-appointment of Yvonne Nakimayak (Sahtú nominee) to the Review Board. These Board members will participate in all remaining stages of ongoing environmental assessments for the duration of their terms, except for the Mackenzie Valley Highway environmental assessment, from which Ms. Nakimayak is recused.<sup>1</sup> This includes:

- reviewing all existing information on the public registries for these assessments,
- attending public hearings, and
- participating in future decision-making phases.

For questions or more information, please contact Mark Cliffe-Phillips at (867) 766- 7055 or [mcliffephillips@reviewboard.ca](mailto:mcliffephillips@reviewboard.ca).
