Dear Mark Cliffe-Phillips,

**Re: Canadian Natural Resources Limited – Notice of Preliminary Screening Determination – Renewal Application for Land Use Permit – Miscellaneous – Remediation – Northeast of Fort Liard, NT**

The Mackenzie Valley Land and Water Board (Board) met on November 6, 2025, and considered the renewal Application Package from Canadian Natural Resources Limited (Canadian Natural) for Land Use Permit (Permit) MV2025X0003 for the Remediation and Reclamation Project (Project) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board completed preliminary screenings for the various aspects of the Project on March 29, 2018, October 22, 2013, January 24, 2001, and May 10, 2000<sup>1</sup> and Canadian Natural has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.
