Dear Mark Cliffe-Phillips,

**Re: Celibeta – Notice of Preliminary Screening Determination – Renewal Application for Land Use Permit – Oil and Gas Reclamation – Fort Liard Area, NT**

The Mackenzie Valley Land and Water Board (Board) met on November 6, 2025, and considered the renewal Application Package from Paramount Resources Ltd. (Paramount) for Land Use Permit (Permit) MV2025A0019 for oil and gas reclamation activities at Celibeta H-78 (the Project) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board completed a preliminary screening of the Project on December 10, 2018,<sup>1</sup> and Paramount has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.
