Dear Mark Cliffe-Phillips,

**Re: Hamlet of Fort Resolution – Notice of Preliminary Screening Determination – Board’s Own Motion Renewal for Water Licence – Municipal Operations – Fort Resolution, NT**

The Mackenzie Valley Land and Water Board (Board) met on November 18, 2025, and considered the renewal of the Hamlet of Fort Resolution’s (Hamlet) Water Licence MV2025L3-0002 on its own motion, to continue to withdraw water and deposit waste for municipal purposes (the Project), in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA) and pursuant to subparagraph 36(1)(a)(ii) of the *Waters Act*.

The Board completed a preliminary screening of the Project on December 3, 2015,<sup>1</sup> and the Hamlet has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.
