Dear Mark Cliffe-Phillips,

Re: Rowe's Construction – Notice of Preliminary Screening Determination – Renewal Application for Land Use Permit – Quarry – Hay River, NT

The Mackenzie Valley Land and Water Board (Board) met on October 23, 2026, and considered the Application Package from Rowe's Construction for Land Use Permit (Permit) MV2026Q0016 for the Permit Renewal (Project) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board completed a preliminary screening of the Project on June 20, 2012,[1] and Rowe's Construction has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.

Please contact Adrian Paradis via email or at (867) 766-7457 with any questions or concerns regarding this letter.

Yours sincerely,

Tanya MacIntosh
