Re: Notification of Completion of Preliminary Screening of Environment and Climate Change Canada's application for a Restricted Activity Permit to conduct fire smarting, maintenance, and operations of Water Survey Gauges in Nahanni National Park Reserve

To: Distribution List (including Review Board)

In accordance with the *Mackenzie Valley Resource Management Act*, Parks Canada has conducted a preliminary screening of Environment and Climate Change Canada's application for a Restricted Activity Permit to conduct fire smarting, maintenance, and operations of Water Survey gauges in Nahanni National Park Reserve. Parks Canada has determined that the development may proceed after receiving appropriate authorization. Authorization will not occur until the 10-day pause period for preliminary screenings has completed. Please find the completed preliminary screening attached.

Thank you.

Sincerely,

Kaitlyn Bélanger
