Dear Travis Wright,

Re: North-Wright Airways Ltd. – Land Use Permit – Letter of Clearance – Geotechnical Investigation – Norman Wells, NT

The Sahtú Land and Water Board (Board) met on July 14, 2026, and reviewed the file for Land Use Permit (Permit) S24S-002.

The Board received a Final Plan for this land-use operation on September 29, 2025.¹ Subsequently, an Inspector conducted a final inspection indicating satisfaction with all aspects of the operation² and recommended closure of the file.³

Final Plan - Approved

The Board has approved the Final Plan, because it fulfills the requirements set out in subsections 29(1) and 29(2) and section 30 of the Mackenzie Valley Land Use Regulations (MVLUR).

Clearance Granted

The Board has granted final clearance of Permit S24S-002 because the requirements of the MVLUR and the conditions of the Permit S24S-002 have been met, and the Inspector has recommended final clearance. By issuing this Letter of Clearance for Permit S24S-002 the Board considers the Permit closed under section 33 of the MVLUR.
